

A Great Experience!

Friday, April 17, 2009

Reach Higher students will have an opportunity to visit the UW-Madison Friday April 17th for the 2009 Engineering Expo.

Reach Higher students will leave shortly after attendance, and ride the bus with Marshall HS technology students to see interactive exhibits created by student organizations such as American Society of Mechanical Engineers, Biomedical Engineering Society; by corporate companies such as Bosch, Shell, GE, and Cargill; and by individual research groups in undergraduate and graduate labs. Students will return to school in time for dismissal.

Admission: Students: \$3; Adults: \$5

Bring a bag lunch or money to purchase lunch at the UW.
